Product Description

Toro 21" Heavy Duty Self-Propelled BBC Honda® - 22296

This Toro 21" (53 cm) self propel, 3 speed rear wheel drive, heavy duty commercial walk behind mower features a premium commercial-grade Honda ZS GXV160 engine with zone start. blade brake clutch (BBC) that eliminates restarts.

For the best productivity, we've included a 1 gallon fuel tank, Recycler cutting deck and the large, easy-empty bagging system.

The deck is made of corrosion-resistant aluminum alloy, cables are protected with steel cable guards mounted to the handle bar. And a tubular engine guard is attached to the front of the deck for tackling the toughest conditions. It's everything you want in a heavy-duty walk behind.

- Powered by a commercial-grade Honda GXV160 engine with dual element air cleaner and 1 gallon fuel tank
 - Increase productivity with the Blade Brake Clutch (BBC) system that disengages the blades without shutting down engine
 - Recycler® Cutting System - optimized for exceptional mulching and bagging performance
 - Designed for durability, featuring a tubular engine guard, replaceable steel deck wear plates and steel cable routing guards
-
